

Business Brains'26 Event Proposal

Introduction

We are excited to present FAST Business Brains '26, FAST-NU's premier entrepreneurial event organized by the FAST Business Club. This initiative sparks creativity and innovation by giving students a platform to pitch their startup ideas, showcase their businesses within the university, and build valuable connections. This year, we're turning up the excitement with external competitions, thrilling business pitching rounds, and exciting cash prizes that will keep the entrepreneurial energy high! And to wrap it all up, we've got a fun-filled entertainment evening to celebrate innovation, networking, and good vibes — making FAST Business Brains '26 an unforgettable experience for all.

Institutional Impact

- Strengthens FAST's image as a leader in student entrepreneurship.
- Enhances student employability by providing real-world exposure and experiential learning opportunities.
- Builds strong university–industry linkages through sponsors, mentors, and judges.
- Encourages interdisciplinary participation and collaboration among diverse student backgrounds.
- Aligns with FAST's mission of “technology-driven” innovation and practical problem-solving.
- Showcases FAST-NU as a hub of innovation and business creativity on both national and inter-university levels.
- Attracts potential investors, startups, and corporate partners to engage with the university ecosystem.
- Fosters a sustainable entrepreneurial culture that inspires future student-led ventures and events.

Objectives

The primary objective of Business Brains '26 is to create an impactful and enriching experience for students while fostering a spirit of innovation, entrepreneurship, and healthy competition.

Our goals for this event are as follows:

- **Promote Entrepreneurship:** FAST Business Brains' 26 aims to inspire and encourage entrepreneurial thinking among students at FAST-NU and beyond. The event provides a dedicated space for student entrepreneurs to display and market their products or services, fostering their creativity and bolstering their confidence in pursuing business ventures.

- **Showcase FAST-NU's Commitment:** The event will highlight FAST-NU as a leading institution that actively promotes an entrepreneurial ecosystem, encouraging students to transform their ideas into viable business ventures.
- **Encourage Collaboration:** FAST Business Brains' 26 will promote networking and collaboration among students from different academic backgrounds.
- **Creating a Supportive Environment:** The Expo fosters a collaborative atmosphere where students can support their peers by engaging with and purchasing from their businesses, reinforcing a sense of camaraderie and mutual support.
- **Promoting Business Sustainability:** By prioritizing businesses with a minimum operational period of six months, the Expo aims to showcase resilient and sustainable entrepreneurial ventures, setting a standard for aspiring businesses.

Event Lineup

Following are the details of all the proposed modules that will be included in Business Brains'26

Selection Criteria for Business Expo:

FBC holds a stringent selection process to ensure the participation of committed and deserving student entrepreneurs. The registration process thoroughly vets each business application, emphasizing the following criteria:

1. **Seriousness of Business:** Each applicant undergoes scrutiny to ascertain the seriousness and dedication of their business pursuits.
2. **Deserving Candidates:** Only businesses meeting the predefined benchmarks of innovation, impact, and sustainability will qualify for support.
3. **Operational Duration:** A minimum operational history of six months is a prerequisite for consideration, emphasizing the significance of business continuity and resilience.
4. **Participant Count and Diversity:** The Fast Expo showcases a curated selection of 30 businesses. This limited number ensures the event's focus and quality while providing ample attention and support for each participant. Additionally, FBC fosters diversity among the selected businesses, encompassing a broad spectrum of industries, product types, and services. This approach guarantees a well-rounded and diverse exhibition, showcasing the multifaceted entrepreneurial prowess within the university.

3. Competitions

1. **Budget Battle :** A strategic competition where participants create the best possible plan using limited resources.
2. **Ad-mad :** A creative challenge where teams design and present an engaging advertisement for assigned objects.
3. **Buzz It Up :** A fast-paced quiz where participants must answer rapid-fire questions within a strict time limit.
4. **Bizz Map :** A business-oriented challenge testing analytical thinking and decision-making through real-world scenarios.
5. **Treasure hunt :** A clue-based adventure where participants decode hints to reach the final hidden prize.
